A DEMOCRATIC mass meeting will be held at the Court House tomorrow afternoon at 2 o'clock, sun time, to select delegates to the Convention to be held at Frankfort, Wednesday, June 2d, to nominate a candidate for Clerk of the Court of Appeals.

ROBT. L. GREENE, an affable gentleman from Bracken, who is a candidate for the Democratic nomination for clerk of the Kentucky Court of Appeals, was in Paris Wednesday mingling with the Bourbon voters.

It is said that if the United States recognizes the belligerency of Cuba, Mexico and Venezuela will do likewise.

Decoration Day.

GOV. BRADLEY has named Monday, May 31, for Decoration Day. In his proclamation he says:

"I most earnestly request that public business may then be suspended, the children dismissed from school, and as many persons attend as can do so, not only to honor the memory of brave men who died to preserve the Union, but to cultivate kind and brotherly affection with those who fought in the armies of the Confederacy. Let it be a day of patriotic devotion, a day when all political differences may be cast aside, and a day when good feeling may be entertained by all the citizens of the commonwealth for each other, regardless of the animosities of the past."

Kentucky's Disgrace.

The tollgate question is rapidly being solved in Bath, Robertson, Madison, Mercer, Harrison and Garrard counties—to Kentucky's disgrace. Almost every night tollgates are destroyed by raiders and the gate-keepers and directors are threatened with death if toll is again collected.

Six gates in Robertson and one in Mason were removed the other night by the same mob which threatened to hang the gatekeepers, directors, county judges, county attorneys and grand juries if the raid was investigated. Two gates in Harrison, on the Millersburg pike, were also chopped down the same night.

In Bath, those brave officials, Judge Gudgell and Sheriff Lane, have ordered a supply of shot-guns and expect to maintain the hold stand they have taken to preserve law and order. Neither of the raiders wounded in the recent battle have died. It is feared that more serious trouble may occur in Bath. Acting Governor Worthington has offered a reward of \$200 each for the arrest, conviction, etc., of any of the mob who were in the raid. Two young men who were doing detective work in Bath have fled to Owensville to save their lives.

Judge Gudgell has issued an address denouncing the raiders in bitterest terms.

Let The Whole World Know The Good Dr. Miles' Heart Cure Does

HEART DISEASE, has its victim at a disadvantage. Always taught that heart disease is incurable, when the symptoms become well defined, the patient becomes alarmed and a nervous panic takes place. But when a sure remedy is found and a cure effected, after years of suffering, there is great rejoicing and desire to "let the whole world know." Mrs. Laura Wineinger, of Selkirk, Kansas, writes: "I desire to let the whole world know what Dr. Miles' Heart Cure has done for me. For ten years I had pain in my heart, shortness of breath, palpitation, pain in my left side, oppressed feeling in my chest, weak and hungry spells, bad dreams, could not lie on either side, was numb and suffered terribly. I took Dr. Miles' Heart Cure and before I finished the second bottle I felt its good effects, I feel now that I am fully recovered, and that Dr. Miles' Heart Cure saved my life."

Dr. Miles' Heart Cure is sold on guarantee that first bottle benefits, or money refunded.
